## PRINCIPAL'S MESSAGE

Dear Families, Friends & Community,  
Congratulations to Cienna Clements, Tomislav Bozanic and Elexia Buchanan who proudly represented St Joseph's at the Rutherglen Lions Club public speaking competition last Friday night. Their courage preparation and persistence to present to an audience was very impressive. We also congratulate our Foundation students of 2023, last week they reached 100 days of learning at school.

What a week of learning experiences for our students, with persistence as a major focus this term. On Tuesday we began a eight week journey for this year's 'Creative Lands Festival' program. Aboriginal elder Aunty Marlene Plunkett will lead the school in Aboriginal art and storytelling. Luciana Sansone will be teaching Hip Hop dancing to learners in Foundation to Year 3. This week we welcomed our little friends from Chiltern Kindergarten. Yesterday students participated so well in our annual Athletics event at Alexandra Park in Albury. We are very proud of all students for their willingness to participate and give everything a go!

Our Year 5 & 6 students appeared on WIN TV this week attending the new Chiltern Community Hub opening on Monday. This is a wonderful facility for all families in Chiltern. Your child can join the library if they are not already a member.

Thank you to everyone that came along to watch the Athletics yesterday. Have a great week.

Thank you  
Jenny

Most loving God,  
we thank you for the example of St Mary of the Cross, who, in her living of the gospel, witnessed to the human dignity of each person. She faced life's challenges with faith and courage. We pray, through her intercession, for all our needs. We make this prayer through Jesus, the Lord. Amen.

*St Joseph's acknowledges and pays respect to the traditional custodians of the lands on which our school is built.*

*We pay our respect to elders past, present and future. We commit ourselves to working in partnership with Aboriginal people for reconciliation and justice.*

Students and teachers are invited to dress as their favourite book character or as something that depicts the theme of the year. We look forward to our learning spaces being alive with colour and celebration of all things books! More information and ideas will go home soon.

There are Eleven **Child Safe Standards** - These are requirement for all schools in Victoria.

### This is Standard Three: **Child and student empowerment**

Children and young people are empowered about their rights, participate in decisions affecting them and are taken seriously.

Building Empowerment means building up children and strengthening their confidence in themselves. It involves equipping children with the skills and knowledge to make informed decisions and enabling them to increase control of their lives.
